

About COTA ACT

COTA is the peak organisation concerned with all ageing issues. It is an independent, non-party political and non-religious organisation working to protect and promote the well-being, rights and interests of all older people in the ACT irrespective of socio-economic, ethnic, religious or cultural background.

COTA ACT is a member of the Australia wide organisation COTA Australia, through which it contributes to the development of national policies and agendas.

COTA talks to Governments, the media and the community about topics concerning older people in the ACT. We make regular submissions to government on current issues affecting older people.

As a member of several ACT government standing committees, 'round tables' and departmental groups, COTA has ongoing input into the advice going to government.

COTA also provides a range of services for Canberra citizens.

Become a member of COTA ACT and Belong, Benefit and Be Heard.

COTA ACT is a people before profit organisation with over two thousand individual members. Becoming a member both increases the effectiveness of COTA and provides information and direct benefits for you. Please contact COTA for more information on membership.
